Letter from Our *President*

The Junior Auxiliary of Meridian consists of dedicated women who volunteer their time, talents, and hearts to serve the needs of the children of Meridian and Lauderdale County. We believe that when we invest into the lives of these children, we invest into the future of our own community. The generosity of individuals and businesses like yours makes our work possible. We thank you for your support and investment into the bright future of the community we share.

Gratefully,
